WHITE SQUIRREL

24 SEVEN Events & Marketing, Inc.

White Squirrel has been playing all over the Twin Cities since 2005. They promote their shows heavily with postering club, fliers, Myspace & Facebook. A White Squirrel show is full of high energy action that is as much joy to watch as it is to listen to. They are a professional group with members that have played in other bands around town for the past 20+ years. They understand the business of being a cover band and work hard to form a partnership between the band & the venue and make every show a success!
